

**URI.EDU/ROTA-R**  
Naloxone | Safer Supplies

# Northeast Regional Center *Rural Opioid Technical Assistance*

**Visit [URI.edu/ROTA-R](http://URI.edu/ROTA-R) for our:**

- Seminars on overdose response
- State-specific online trainings for the public with free naloxone by mail
- Six free online continuing education programs on SUD topics for nurses, licensed mental health counselors, pharmacists, and social workers

### Online Training Modules for each of the New England States

Click on your state below to complete a short training module and receive free naloxone by mail in rural areas! Each interactive training reviews how to recognize and respond to an opioid-involved breathing emergency and provides valuable resources in your area.

**Vermont**
